MEMORANDUM FOR: Major General P. [redacted] Carroll

FROM: Deputy Director, Req & Adm

SUBJECT: Coordination of [redacted] Plans with CIA

25X1C

References: Attached Outline Plan

1. Reference document describes a plan for research to meet requirements in the PC-6 area. Present research in this area is basic (Rutgers project: "Status and Communication"; University of Michigan Project: "Motivation and Communication") and applied (studies of content analysis procedures at University of Illinois, through IFOR, and in-service).

2. In order to carry out the proposed research in Reference it is necessary to coordinate the plan with officials of the Central Intelligence Agency in Washington. A briefing on the proposed Plan has been given to their personnel attached to [redacted] and acceptance of the plan was enthusiastic at that level. The Plan has also been enthusiastically accepted by DCS/C, [redacted] Division, officials.
